STORE EVENTS (check friendlycity.coop and @FriendlyCity on Facebook for more details)

Many events have been postponed, or canceled, due to safety concerns relating to the COVID-19 pandemic. The Co-op, and our community, is doing it's best to stay healthy and informed, and to act on recommendations from medical professionals and government agencies. Please know that the safety of our team and shoppers informs all our decisions, and we know you are with us. We will get through this together!
